

## AOP Côtes du Rhône

# PARCELLE SUD WHITE 2022

### Varietals

Viognier 60%, White Grenache 20%, Roussane 20%

### Organic Terroir

Blue-gray and white clay soil, with limestone rocks, on terraced fields overlooking the Rhône Valley.

### Natural vinification

Harvest and pressing of the grapes in the night to preserve freshness of the acidity. Natural vinification at a low temperature without preservatives. Bottling in the winter with some sulfite, before malolactic fermentation.

### Tasting notes

Clear yellow color.

Powerful nose, with very aromatic fruity aromas.

Hints of fresh apricot, peach, orange peel.

Supple and very elegant in the mouth, round and lively, very aromatic and fresh. Retro-olfaction on the apricot.

# Minor and Major Scales

## PARCELLE SUD

The *Parcelle Sud* reserves reveal the typical flavors of the Southern part of the Rhône Valley. They are produced on the very first Meridional parcels of the Estate, on the AOC Côtes du Rhône, a rich Terroir with old soils and deep deposit of clays.

On 44 parcels, 11 grape varieties blossom there, creating every year a colorful and tasty kaleidoscope of wine. Each parcel is like an ecosystem, allowing us to make a natural vinification.

In result, wine from *Parcelle Sud* are always opulent and fruity, with lots of roundness – a highly savory melody !

**The PARCELLE reserves are the classical reserves of the Estate,  
the Minor and Major Scales of the composer-winemaker!**
